

SCUR – Society for Cutaneous Ultrastructure Research 2012

Dear SCUR member.

This is a kind reminder to pay your SCUR membership fees for 2012 in case you haven't done it yet. Fees are now EUR 55 for full members/but still EUR 15 for students or postdocs (up to 3 years MD or PhD). We hope you understand that you won't be eligible for reduced meeting registration fees unless your account is settled. We are still able to offer you to pay by credit card, which shall be encouraged also for the benefit of SCUR. The fee includes our general banking charges, so please make sure this amount is actually paid or transferred. This form should be returned by mail or fax to the address below. Do not return this form by E-mail. It is illegal to transmit credit card information by regular e-mail (according to our contract with the bank).

Thank you for your compliance and best regards,

Stefan Schneider, Treasurer of SCUR

(Dirk Breitzkreutz; current online banking)
